

**BARBARA HARRISON,**  
8 YEARS OLD, WORTH  
\$1,819,740 HERSELF

One of Richest Little Girls Is  
Daughter of Governor-General of Philippines.

Eight-year-old Barbara Harrison, daughter of Francis Burton Harrison, Governor-General of the Philippine Islands, is one of the richest little girls of her age in the United States.

In the accounting of her property filed in the Supreme Court to-day by Henry T. Scott, the San Francisco millionaire, and her father, trustees under the will of Mary Crocker Harrison, the Governor-General's wife, who died in 1906, little Miss Harrison is credited with having in her own name \$1,819,740, which if she were of age she could handle herself.

The rich little girl is now in the Philippines living with her father and stepmother, who was Miss Mabel Judson of Brooklyn.

Miss Harrison's most extensive holdings are stocks and bonds and that her trustees thought well of New York City municipal bonds is evident from the fact that her largest bond holding is an item of \$256,866 of New York City 4 1/2 per cent. bonds.

Her largest stock holding is \$223,177 of stocks in the Crocker Estate Company, the monument of wealth left by her grandfather, Charles F. Crocker, one of the builders of the Southern Pacific Railroad. He left a fortune of nearly \$50,000,000 to be divided between his three daughters.

Another of the railroad builder's daughters is Mrs. Malcolm Whitman, formerly Jennie Crocker of California.

In spite of her large fortune the little miss gets along quite economically. Her personal expenditures for the year 1913 were only \$2,516, aside from \$8,500 paid during the year for house rental. Her jewels are valued at \$2,000; her horses valued at \$1,000, silverware worth \$333 and house furnishings in a Bar Harbor summer home worth \$2,354.

But then she should worry about expenses when her real estate holdings valued at \$936,633 were added to by the purchase of \$89,748 during 1912.

Her total personal property holdings are valued at \$936,633, real estate at \$732,391, and annual dividends from stocks and bonds bring her in about \$61,000 a year.

Supreme Court Justice Davis, to whom the accounting was given, approved it.

Fire Menace Rutherford Home—Fire last evening practically destroyed the large frame structure known as the Rutherford Manufacturing Company, located on Hackensack street, East Rutherford, N. J., causing a loss estimated at about \$35,000. A number of private residences close to the building caught fire several times, but the firemen managed to save all of them.

# ECZEMA ITCHED AND BURNED TERRIBLY

On Baby's Face. Restless All Night. Would Scratch Face Continually. Used Cuticura Soap and Ointment. Entirely Well.

1521 Westchester Ave., Bronx, New York City.

"My baby had a rash on his face when he was six months old. I was told it was eczema. It looked as though his face was badly chapped. The eczema itched and burned terribly at night. He was restless all night and would scratch his face continually."

"He found the rash about a year. My friends would ask me what was wrong with his face and suggested different remedies. I tried and without any permanent result. Finally my mother suggested my trying Cuticura Soap and Ointment, which gave him instant relief. First I would wash his face with warm water and Cuticura Soap, dried it lightly, then I would put the Ointment on. I did this for three weeks when his face was entirely well." (Signed) Mrs. B. C. Bennett, Apr. 9, 1914.
